Student and Exchange Visitor Program

Re: International Student Travel during COVID

To Whom It May Concern,

The University of Western States is an independent, not-for-profit academic institution that awards Bachelor of Science, Master of Science, Doctor of Education and Doctor of Chiropractic degrees. The Bachelor of Science and Master of Science degrees are offered as concurrent degrees alongside the Doctor of Chiropractic program.

The university restored in-person labs and clinic shifts for the doctor of chiropractic program during the summer term which began on July 6, 2020. Students continue to meet on campus for fall term classes starting **October 4, 2021**. For up-to-date information, please refer to our website: <https://www.uws.edu/coronavirus-resources/>

Please contact us if further information is required.

Sincerely,
