

\$2500

Essay Competition

Submission deadline: **October 1, 2022**

Student Eligibility

1. In good academic standing and enrolled in a United States, CCE-accredited, chiropractic program at any time during 2022.
2. Essay is submitted by October 1, 2022.

Contest Instructions

1. Submit an original essay on any topic of your choice, as long as the topic is relevant to chiropractic. Themes may include history, philosophy, practice perspectives, jurisprudence/law, ethics, theory, sociology, politics, or social sciences.
2. To enter the competition, submit these 2 items by email:

- An original essay, submitted as a Word document. Length: no shorter than 1200 and no longer than 3000 words. Word count does not include title or references.

On the first page include your 1) name, 2) cell phone, and 3) email.

- A letter from your registrar confirming you are currently enrolled and in good academic standing in your chiropractic program.

3. Judging criteria: relevance to the chiropractic profession, scholarly style, writing quality, originality, and use of references.
4. Announcements of winning essays will be made by December 31, 2022.
5. Only one essay is allowed per student per competition and only one author per essay. Students who submitted in the past but did not win may compete again with a new essay.
6. Email materials to **NBCE studentscholarship@gmail.com** by **October 1, 2022**.

The NBCE essay competition is administered by an outside corporation, Brighthall. All questions about the competition should be directed to Dr. Claire Johnson at NBCEstudentscholarship@gmail.com
