

TriMet Term Pass Agreement Form

As a current student or employee of University of Western States, I accept this term bus pass with the following understanding:

1. I am a qualified student or employee of University of Western States (UWS). I will not register or use a car to commute to UWS if receiving a term bus pass. Parking and Transportation shall determine my eligibility to receive TriMet term passes, monthly passes or tickets. **I will use the bus as my primary mode of transportation and will bring a car to campus no more than 3 times a month using a daily parking pass.**
2. This pass is for my use only, as a student or employee of University of Western States. The pass cannot be sold to or used by anyone else under any circumstances. If someone other than me is found using this pass on TriMet, that person may be subject to a fine. Furthermore, I understand I may be in violation of University of Western States *Standard of Student Conduct*. I may be subject to disciplinary action, up to and including paying the cost of the pass, prohibited from receiving bus passes or tickets in the future, and dismissal.
3. I agree that I am responsible for understanding and complying with TriMet rules and regulations. Questions about using TriMet may be found at trimet.org
4. In the event that University of Western States or TriMet reasonably believes that a University of Western States student has duplicated, altered, or otherwise used the pass in a manner not authorized by TriMet and the University of Western States, I acknowledge that UWS or TrMet will conduct a reasonable investigation. If TriMet or UWS determines that misuse occurred, the student or employee may be asked to return their bus pass.
5. This pass is the property of University of Western States. I agree to return it to Parking and Transportation employee if I no longer need the pass during the term for any reason. **Failure to do so is subject to paying the prorated cost of the pass.**
6. TriMet and UWS do not replace passes that are lost or stolen. I agree to fill out a UWS Incident report if my pass is lost or stolen and send to Parking and Transportation at parking@uws.edu. **UWS will not replace lost or stolen term passes with another pass or bus tickets.**
7. Acceptance of a term pass indicates that I will not drive to school. I will not receive a parking decal, use occasional bus tickets and use more than nine daily parking passes per term (three per month).
8. **If I change my commute method during the term and will register a car, I agree to pay the prorated, remaining cost of the pass.**
